16th International Conference on Fluidized Bed Combustion

May 13-16, 2001

John Ascuaga's Nugget Reno, Nevada, USA

Conference Objective

To promote the exchange of operating, economic, and scientific information pertaining to all aspects of fluidized bed combustion. The conference will permit owners, operators, engineers, and researchers to stay abreast of the most recent commercial progress, technology improvements, and research findings. This international conference covers the entire range of configurations, fluidization conditions, fuels, and operating conditions.

Parallel Technical Sessions

Atmospheric Fluidized Bed Applications (AFBC)

- Commercial Plant Assessments
- Design and Cost Studies
- Pilot Plant Evaluations

Pressurized Fluidized Bed Applications

- Commercial/Demo Plant Assessments
- Design and Cost Studies
- Pilot Plant Evaluations

Research and Development Fundamentals

- Hydrodynamics
- Combustion
- Sorbent Performance

Operations

- Plant Performances
- Siting/Community Issues
- Refractory/Insulation

Environmental

- Emission Assessments
- Environmental Regulatory Issues
- Ash Management

CIBO Owners Meeting

The FBC owners meeting will start after lunch at 1:35 pm Monday, May 14th. Owners meeting will run concurrently with Monday afternoon technical sessions until 5:45 pm. This meeting is restricted to CIBO FBC Owners Only.

Exhibits & Poster Session

The conference will feature selected exhibits from boiler manufacturers, component suppliers, and other organizations. For additional information contact Michael DeLallo, Parsons Energy & Chemicals Group, Inc., at 610-855-2675 (michael.r.delallo@parsons.com) or Paul Weitzel, Babcock & Wilcox, at 330-860-1655 (psweitzel@pgg.mcdermott.com).

Spouses are Welcome

Rim of the Lake Tour

Your tour will begin by driving through Washoe Valley, home to the Washoe Indians of basket weaving fame. Carrying on, you will continue the drive through Carson City, Nevada’s Capital City. Next you will travel up highway 50 over Spooner Pass. Your step-on guide will share the history of the “Great Bonanza Trail,” and the gold and silver seekers who “paved” the way as the first white men to visit the Tahoe Basin. After driving through the strip of South Lake Tahoe, your Motorcoach will also stop at the famed Emerald Bay—home to Vikingsholm Castle and Fanett Island. From here your Motorcoach will meander up Tahoe’s West Shore to the SunnySide Restaurant and Resort where you will enjoy a wonderful lakefront lunch. You will then be transported back to your hotel by driving through the historic town of Truckee.

Total Duration: 5 hours (9:00 am - 2:00 pm)

Cost: \$50.00 p/p

Virginia City

As you ascend into the foothills the exciting history of Virginia City, and how this boomtown came to like will be revealed. Built on the riches of gold and silver ore, Virginia City wasn’t only know as the richest place on earth, but was also the biggest city between San Francisco and St. Louis in the 1860’s. Once you arrive, your personal guide will escort you through downtown, telling many legends of rags to riches and riches to rags. Your group will discover the beautiful Victorian mansions built by the mine-owners and stroll through the various mines that made them rich. Included in your tour is a pass for The Virginia & Truckee RR. Today, 58 years after the last train left the Commstock, you will have opportunity to ride in your choice of the open cars, or in the caboose, all of which are over 72 years old. Your 35 minute narrated train tour will run from Virginia City to Gold Hill and back, going right through the most famous of the bonanza Comstock mines.

Total Duration: 6 hours (9:00 am - 3:00 pm)

Cost: \$50.00 p/p

For more information, contact Kim Yavorsky, U.S. Department of Energy/NETL, 412-386-6044 (yavorsky@netl.doe.gov).

ADVANCE REGISTRATION FORM

16th International Conference on Fluidized Bed Combustion

May 13-16, 2001

John Ascuaga’s Nugget • 1100 Nugget Avenue • Sparks, NV 89431

For registration information:

Call toll free U.S. & Canada: 800-THE-ASME (843-2763); Mexico: 95-800-843-2763; Fax: 973-882-1717

All advance registrations must be postmarked no later than April 13, 2001. There is a surcharge of \$25 for registration after this deadline. Author/panelists, chair and vice-chair, members and non-members must pay the appropriate fee.
